

**GITAM DENTAL COLLEGE AND HOSPITAL**  
**VISAKHAPATNAM**

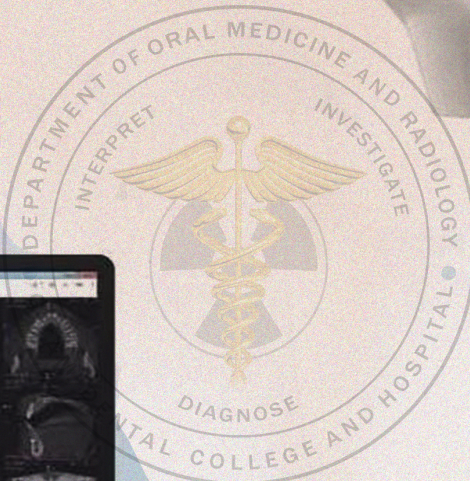

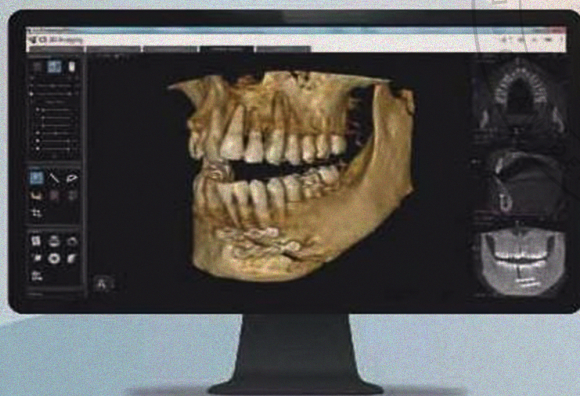

**DEPARTMENT  
OF  
ORAL MEDICINE AND RADIOLOGY**

# **DEMYSTIFYING CBCT**

## **HANDS-ON WORKSHOP ON CLINICAL APPLICATIONS AND INTERPRETATION**

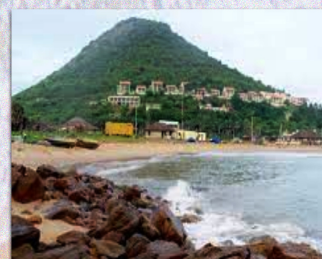

**27<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> April, 2023**

With an academic experience of 20 years, Department of Oral Medicine and Radiology, GITAM Dental College & Hospital is conducting this workshop to enlighten the clinical usage, applications, and interpretation of CBCT to Post Graduates, Academicians and Clinicians. We hope it will give everyone the knowledge of cracking the concept of CBCT to utilize in our day to day clinical practice. Eagerly waiting for your participation.

Regards,  
TEAM OMR,

Visakhapatnam the "City of Destiny" bounded with long and never ending beach stretches on one side and undulating green hills on the other is considered a paradise and is also known as Jewel of the East Coast. Apart from being a beach destination, haven for the adventure enthusiasts, the city is also a heavenly abode for religious minded and the Buddhist pilgrims. There are various temples belonging from bygone era, which are equally famous. Vizag offers several quick and magnificent escapes that will make your visit memorable.

## RESOURCE FACULTY

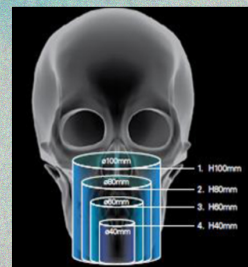

**Dr. Vaibhav Kr Garg** a Graduate Gold Medalist from KGMC, Post Graduate in Oral Medicine & Radiology from RGUHS (2007), takes immense pride in his passion towards teaching and guiding young dental professionals. His vision of a systematic, unbiased, clinically oriented methodology of research and imparting knowledge has helped many carve a successful and bright academic & clinical career.

**Dr. Mayuri Garg**, pursued Graduation and Masters in Oral Medicine & Radiology from Rama Dental College, Kanpur. She has been the guiding force behind 3D Imaging Centre. She is well published in indexed domestic & international journals, reviewed various manuscripts and supervised dissertations related to CBCT. She has successfully conducted more than 100 workshops on CBCT in and around Agra, which helped practitioners across all disciplines to integrate this technology in their daily practice.
